This matter comes before the Public Service Commission of South Carolina (“Commission”) on a letter from counsel for Development Service, Incorporated (“DSI”) and Bush River Utilities, Incorporated (“BRUI”) in response to a provision of Order No. 2008-328. That Order approved the merger of the two companies, with DSI surviving, and further approved BRUI’s merging its operating authority upon consummation of the proposed transaction with DSI. The Order also held that the two Companies were required to report to this Commission and the Office of Regulatory Staff when the proposed transaction was consummated, and, at that time, BRUI’s individual Certificate of Public Convenience and Necessity would be rescinded.

Counsel for the two Companies has now reported that the proposed transaction was consummated. Accordingly, as per Order No. 2008-328, we hereby withdraw and rescind BRUI’s Certificate of Public Convenience and Necessity.
